

"Inspiring a Passion for Learning"

Spring 2009 Reservations

Thank you for your interest in Salish Sea Expeditions' marine science and sailing programs. Each year Salish provides exciting educational experiences for hundreds of students around Puget Sound. Because Salish Sea Expeditions is able to bring our floating classroom to the dock nearest each school, students can research the marine environment in their own backyard.

This mobility also necessitates coordinating our programs geographically. Logistically, it does not make sense to serve a north sound group the week before or after a south sound group, as moving the boat from one location to another takes several days.

Thus, we try to accommodate the date and location requests of all participating groups while also maximizing our program capacity. If you would like to request a program date with Salish Sea Expeditions for the **Spring 2009** season, please complete the enclosed form and submit it to Jenny McColloch, Education Director, before **October 17, 2008**. Salish Sea Expeditions staff will then group the requests geographically, and present a tentative spring program schedule, making every effort to grant each group's first request. If the date/location is acceptable, we will send a contract, and your non-refundable deposit of \$500/day will hold the date. For example, if you are requesting a 3-expedition, your deposit will be \$1500; a 4-day expedition deposit will be \$2000, etc.

Requests submitted after October 17, 2008 will be scheduled at a first come -first served basis or placed on a waiting list.

If you have any questions or concerns regarding this policy, please contact Jenny McColloch at jenny@salish.org or (206) 780-7848 xt 2#.

**** Please note - scheduling preference will be given to returning groups and schools requesting longer 4-5 day programs. ****

"Inspiring a Passion for Learning"

Spring 2009 Reservation Request

(Spring 2009 program season: March-June)
