

Watch Group Selection

For SOUND Programs

Dear Teacher/Group Leader:

Your students need to be divided into two watch groups before coming aboard *Carlyn*. Because you know your students best, we leave the group making decisions up to you. Each watch will rotate through all activities as a unit.

Please choose groups with care and consider social dynamics in your decision making. We strongly recommend mixed ages and genders within each watch group!

Thank you!

Please Note: 28 participants is our maximum number of students
