

*“Inspiring a Passion for Learning”*

Please answer ALL of the following questions so we can help you make your trip great!

The information you share on this form will help us make our programs better. Your answers will NOT be traced back to you as an individual or graded for accuracy. If you do not know an answer, please write “I don’t know.”

Name: \_\_\_\_\_ School/group: \_\_\_\_\_ Grade: \_\_\_\_\_

A. What was the best part of the program? \_\_\_\_\_

B. What was the worst part of the program? \_\_\_\_\_

1. Imagine the next few years in school...if you could make a choice about what classes(subjects) you could take, would you choose to take a science class? (circle one)

Never                      Doubtful                      Maybe                      Definitely

2A. Have you ever considered becoming a scientist or working with science? (circle one)

Never                      Doubtful                      Maybe                      Definitely

2B. If not, what do you hope to be? \_\_\_\_\_

3. Could you design an experiment, using the Scientific Method? (circle one)

I don’t know how    I could do it with a teacher    I could do it with classmates    I could do it myself

4. If you designed an experiment using the **Scientific Method**, list below the steps you would include.

---

---

---

5. Please rate for the following *two* sets of terms how you would feel if you were asked to spend a few hours doing a science experiment in the classroom:

a.)Bored                      Uninterested                      Neutral                      Interested                      Very Excited

b.)Anxious/Nervous    Somewhat Nervous    Neutral    Somewhat Confident    Confident/Comfortable

6. Please rate for the following *two* sets of terms how you would feel if you were asked to spend a few hours doing a science experiment in the natural world:

a.)Bored                      Uninterested                      Neutral                      Interested                      Very Excited

b.)Anxious/Nervous    Somewhat Nervous    Neutral    Somewhat Confident    Confident/Comfortable

7. What is a watershed? \_\_\_\_\_

8. What is your watershed? \_\_\_\_\_

9. Imagine a typical work day for an environmental scientist...list three things related to water quality that they might measure in their watershed or on the Puget Sound (example: temperature, etc.)

a) \_\_\_\_\_

b) \_\_\_\_\_

c) \_\_\_\_\_

10. List one way humans affect their watershed and the ocean?

\_\_\_\_\_

11. Name a person who is:

a) an Athlete \_\_\_\_\_ c) an Actor/Actress \_\_\_\_\_

b) a Politician \_\_\_\_\_ d) a Scientist \_\_\_\_\_

12. Do you think it is important to keep the Puget Sound healthy?

Not at all                      Very little                      Somewhat                      Quite a bit                      Very much

13A. How excited would you be to create another field science research project either during another Salish Sea Expedition or with your school class?

Not excited at all                      Not very excited                      Neutral                      Excited                      Can't wait

13B. If you're not excited, why not? \_\_\_\_\_

14. How excited are you to carry out an action piece/ restoration project with Salish Sea Expeditions?

Not excited at all                      Not very excited                      Neutral                      Excited                      Can't wait

15. List 2 types of restoration project?

1. \_\_\_\_\_

2. \_\_\_\_\_

16. How can a restoration project impact your community?

\_\_\_\_\_

Circle the correct option:

*Year you were born:* 1995    1996    1997    1998    1999    2000    2001    2002    2003    2004    2005

*Month you were born:* Jan    Feb    March    Apr    May    June    July    Aug    Sept    Oct    Nov    Dec

*Your Gender:*    Female    Male                      *Your number of brothers:* \_\_\_\_\_    *Your number of sisters:* \_\_\_\_\_

*Ethnicity:* African American    Asian American    Latino    Native American    Caucasian/White    Other \_\_\_\_\_
