

WHAT TO BRING: MULTI-DAY RESEARCH EXPEDITION

When packing & preparing for your Expedition, keep in mind the following:

- Space is very limited aboard the *S/V Carlyn*. At night you will sleep with your gear in your tent or bunk.
- Pack a Small/Medium back pack, duffel or laundry bag. Do not bring a 'hard-sided' bag or suitcase.
- Line the bag with a plastic bag/garbage bag to help keep things dry, since bags can go from the sailing boat, to a rowboat/dinghy (little boat), then onto shore and back.
- Pack only the items listed below. The suggested items are intended to be layered for warmth and are more versatile than a single heavy coat.
- Plan on wearing the same layering of clothes for multiple days (socks and underwear excluded).

Most importantly, you do not need to buy anything for this trip that you don't already have. Salish Sea Expeditions will provide 'foulies' (rain jacket and overalls to keep you dry), as well as rain boots

To Pack (based on a 5-Day Expedition)

- Sleeping bag. Line the stuff sack with a plastic bag.
- Windbreaker or light rain jacket.
- Wool sweaters or fleece jackets (something that keeps you warm, even when wet).
- 2 Long-sleeved T-shirts or turtlenecks (synthetic material is better than cotton).
- 2 T-shirts
- 2 Pair long pants (wear a pair, bring a pair).
- Long underwear. Wool, wool blend, capilene or polypropylene are best (tops & bottoms).
- 5-6 pairs of thick socks (wool or synthetic material are best; ankle socks are not so comfortable in rainboots). Consider a pair for each day and a separate pair to keep dry for in your sleeping bag.
- 1 pair of sturdy closed-toed shoes (think good shoes or boots in wet conditions).
- Warm hat (wool or fleece) and/or headband.
- Baseball cap (or some sort of sun hat/visor) and sunglasses
- Toilet items -toothbrush/paste -deodorant
 -comb/hairbrush -feminine hygiene products

- I agree to participate fully in all aspects of my trip and be open to new and different experiences.
- I agree to respect the authority of the teachers, chaperones, and Salish Sea Expeditions crew, and the rules of the vessel *Carlyn*, and I understand that these rules exist for the benefit of my group.

- I agree to leave my phone and other electronics at home.

If a student becomes disruptive to the program or jeopardizes the safety of anyone, the Program Coordinator, the Captain and/or the Mate will be notified. The Program Coordinator, in collaboration with the appropriate crew and group leader, will determine the best course of action, including potential removal from program.

ZERO TOLERANCE DRUG POLICY

The U.S. Coast Guard, and Salish, has a zero tolerance policy with regards to drugs on inspected vessels. This means that any illegal drugs in any amount found aboard *Carlyn* will result in confiscation of the vessel and our captain will lose his license.

Any participant found with drugs, alcohol, cigarettes, firearms or fireworks will be removed from the program immediately. Parents/guardians will be contacted and arrangements made for that student to be picked up immediately. Please do not put your shipmates, the crew, or yourself at risk by violating these policies.

NOTE: TEACHERS AND CHAPERONES

If you are a coffee and/or tea drinker please plan to bring what you need for your morning beverage ritual. Coffee/tea is not always part of meals, but you are welcome to bring and brew your own with the help of the galley staff. Many appreciate bringing their own mug as well.
